

Alliance Mining Corp and Wilcox Professional Services LLC Strategic Business Update

July 30, 2008

NEWS RELEASE

CNQ: AMCL

Kamloops, BC — Alliance Mining Corp. ("Alliance" or the "Company") is pleased to inform that its negotiations with Wilcox Professional Services LLC ("Wilcox") of Scottsdale, Arizona, is still ongoing and both companies now have set a new deadline to negotiate and complete a strategic business agreement to be in place by no later than September 15, 2008.

The Company has signed a Memorandum of Understanding with Wilcox as announced on May 16, 2008, in order to negotiate a strategic business relationship (Definitive Agreement) that would assist in fast tracking the development of the company's mineral properties and business plans in the USA. Both Companies are committed to reaching a definitive agreement by the new target date.

Mr. Jan Ross President of the Company states "the further we negotiate and discuss issues with Wilcox Professional Services LLC the more opportunities both companies see coming out of this strategic partnership therefore more issues need to be addressed. Both companies rather take the time now to negotiate and address all the issues in order to have a sound Definitive Agreement in place before moving forward"

About Wilcox:

Wilcox Professional Services LLC and the Wilcox Group of Companies are a diversified engineering company with offices and projects located throughout the United States, with a staff of 400 employees. To learn more about Wilcox visit www.wilcox.us

About Alliance:

The Company's strategy is to concentrate on historical mining districts hosting dozens to hundreds of smaller mineralized zones that can quickly be delineated into resources while targeting higher-grade zones for mining using state of the art technologies that are not only cost effective but environmentally safe. Alliance is presently focused on properties in Arizona and Nevada. To learn more about Alliance Mining visit www.allianceminig.com

Certain of the statements made and information contained herein is "forward-looking information" within the meaning of the Ontario *Securities Act*. This includes statements concerning the Company's plans at its mineral properties, which involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking information. Forward-looking information is subject to a variety of risks and uncertainties which could cause actual events or results to differ from those reflected in the forward-looking information, including, without limitation, the availability of financing for activities, risks and uncertainties relating to the interpretation of drill results and the estimation of mineral resources and reserves, the geology, grade and continuity of mineral deposits, the possibility that future exploration, development or mining results will not be consistent with the Company's expectations, metal price fluctuations, environmental and regulatory requirements, availability of permits, escalating costs of remediation and mitigation, risk of title loss, the effects of accidents, equipment breakdowns, labour disputes or other unanticipated difficulties with or interruptions in exploration or development, the potential for delays in exploration or development activities, the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses, commodity price fluctuations, currency fluctuations, expectations and beliefs of management and other risks and uncertainties. In addition, forward-looking information is based on various assumptions. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements. Accordingly, readers are advised not to place undue reliance on forward-looking information. Except as required under applicable securities legislation, the Company undertakes no obligation to publicly update or revise forward-looking information, whether as a result of new information, future events or otherwise.
