

Alliance Mining Corp and Wilcox Professional Services LLC Strategic Business Update

June 18, 2008

NEWS RELEASE

CNQ: AMCL

Kamloops, BC — Alliance Mining Corp. ("Alliance" or the "Company") is pleased to inform that its negotiations with Wilcox Professional Services LLC ("Wilcox") of Scottsdale, Arizona, is still ongoing and both companies hope to have a strategic business agreement in place by July 11th 2008.

The Company has signed a Memorandum of Understanding with Wilcox as announced on May 16, 2008, in order to negotiate a strategic business relationship (Definitive Agreement) that would assist in fast tracking the development of the company's mineral properties and business plans in the USA.

Wilcox Professional Services LLC ("Wilcox") will participate in a non brokered private placement (amounts and terms to be negotiated in the definitive agreement) Wilcox will also assist in sourcing future capital needs and in return have the right to carry out exploration services, management services, engineering services project management, procurement and other services within its scope of business services at competitive pricing and pricing structures defined in a definitive contract.

About Wilcox:

Wilcox Professional Services LLC and the Wilcox Group of Companies are a diversified engineering company with offices and projects located throughout the United States, with a staff of 400 employees. To learn more about Wilcox visit www.wilcox.us

About Alliance:

The Company's strategy is to concentrate on historical mining districts hosting dozens to hundreds of smaller mineralized zones that can quickly be delineated into resources while targeting higher-grade zones for mining using state of the art technologies that are not only cost effective but environmentally safe. Alliance is presently focused on properties in Arizona and Nevada. To learn more about Alliance Mining visit www.allianceminig.com

Certain of the statements made and information contained herein is "forward-looking information" within the meaning of the Ontario *Securities Act*. This includes statements concerning the Company's plans at its mineral properties, which involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking information. Forward-looking information is subject to a variety of risks and uncertainties which could cause actual events or results to differ from those reflected in the forward-looking information, including, without limitation, the availability of financing for activities, risks and uncertainties relating to the interpretation of drill results and the estimation of mineral resources and reserves, the geology, grade and continuity of mineral deposits, the possibility that future exploration, development or mining results will not be consistent with the Company's expectations, metal price fluctuations, environmental and regulatory requirements, availability of permits, escalating costs of remediation and mitigation, risk of title loss, the effects of accidents, equipment breakdowns, labour disputes or other unanticipated difficulties with or interruptions in exploration or development, the potential for delays in exploration or development activities, the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses, commodity price fluctuations, currency fluctuations, expectations and beliefs of management and other risks and uncertainties. In addition, forward-looking information is based on various assumptions. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements. Accordingly, readers are advised not to place undue reliance on forward-looking information. Except as required under applicable securities legislation, the Company undertakes no obligation to publicly update or revise forward-looking information, whether as a result of new information, future events or otherwise.
